

2.3.2

**Teachers use ICT enabled tools for effective teaching-learning process**

Teachers are using ICT enabled tools for effective teaching and learning.

1. During pandemic all teachers were trained by experts with the use of online teaching platforms like Google meet and zoom for online teaching.
2. Students were guided to use Google classroom, YouTube lectures.
3. College purchased paid official educational Gmail account during pandemic phase, for FY, SY, TY (BCom, BBI), TYBSc.IT, and M.Com. Remedial coaching separate division wise links were created and used during pandemic for online teaching.
4. During pandemic College provided study material online on college website available while students were given with the login id and password to access.
5. Teachers used PowerPoint presentations for each unit for detailed explanation of syllabus topics in online lectures.
6. A well-equipped open access computerized library with internet facility is available for faculty. E-resources are available through national networks.
7. Computer Labs, Language Lab is use for effective teaching –learning process.
8. The institute subscribes to online database in order to facilitate e-resource access to teachers and students.(e.g. college library has taken subscription from Shodh-sindhu library for research purpose)
