

4.4.2- There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

College has purchase committee; every year college is spending money for maintaining and repairing the infrastructural facilities. Purchase committee also spent money on buying computers, for purchasing software etc. During pandemic college has taken facility from third party for the exams as well as for students study material.

College is well equipped with infrastructural facilities like computer laboratory, library, few class rooms with projectors, wi-fi connection in college premises, staff room, class rooms, library, computer lab etc. teachers are using time to time projectors as well as wi-fi in teaching learning process. During pandemic lectures were conducted in online mode. College has taken official google meet account in pandemic period for online lectures. For FY,SY, TY(Commerce),MCom, remedial coaching separate official google meet link created and used for the whole year for delivering lectures in online mode. Students study material made available on college website by using login id students got access for study material.

Computer Lab-Computer lab, Computer center, ICT lab and Digital Language lab has desktop computers with necessary softwares. Residential engineer looks after the maintenance and repairs of the computers. There is AMC for maintenance of the air conditioners. Care is taken while preparing the time table so that practical of different programmes can be conducted smoothly in the labs.

Computers-Computers are available for academic and administrative work. The computers are maintained and upgraded by the residential engineer. Necessary software and anti-virus are installed. Computers are inter connected with LAN to the server. Stand-alone facility is available for Direct Electronic Paper Delivery System. Computers are provided to labs and various departments as per their needs and requirements.

Library-Library has a good collection of books and journals. It has sufficient numbers of cupboards to stock the books. It has separate reading rooms for boys and girl students. Non-teaching staff members of the library are responsible for maintaining the cleanliness of the library. Teachers are asked to recommend books and every year new books are added. New arrivals are displayed on the stand. There is newspaper reading facility in the lounge area. Computers are available for the students for searching books and online resources and the reprography facility is also provided

Classrooms.-Classrooms are used for curricular and co-curricular purpose. It has electric supply for light, fan and other fixtures. Some class rooms have projector, screen and internet connection and also wi-fi facility. The class rooms are cleaned by non-teaching staff. Time table is prepared in such a way that there is optimum utilization of these facilities and the needs of the UG,PG section are fulfilled.
