

Best practice - I

Title: "Employability training program."

Objectives of the Practice are as follows:

1. To help students acquire work-related skills.
2. To provide students with as many work options as possible. For our college campus, the Career Guidance & Placement cell has reached out to a number of businesses and multinational corporations to launch an offline and online campus recruitment drive. Training sessions covered topics like communication skills, resume preparation, business etiquette, interview techniques, and job readiness. Numerous pupils have previously benefited greatly from this procedure. The Dr. Ambedkar College Career Guidance and Placement Cell organized a number of offline skill.
